

GMT-Master II

Oyster, 40 mm, yellow gold

**The Oyster Perpetual
GMT-Master II in 18 kt
yellow gold with a tiger
iron dial and a Jubilee
bracelet.**

TIGER IRON

Complex structure

This GMT-Master II features a dial in tiger iron. This metamorphic rock, used by Rolex for the first time on this watch, is characterized by its complex structure

Composed of three minerals – tiger's eye, red jasper and silvery hematite – it is a stone that pulses with golden and orangey tints, which, following painstaking selection and meticulous assembly, marry harmoniously with the colours of the case and bracelet.

24-HOUR ROTATABLE BEZEL

Innovative high-technology

This model features a tiger iron dial and a two-colour Cerachrom bezel insert in grey and black ceramic. In addition to conventional hour, minute and seconds hands, the GMT-Master II features an arrow-tipped hand, which circles the dial once every 24 hours, as well as a bidirectional rotatable 24-hour graduated bezel.

The distinctively coloured 24-hour hand displays the “home” reference time in a first time zone

which can be read on the graduations on the bezel. The traveller's local time is easily set by "jumping" from hour to hour, thanks to an ingenious mechanism operated via the winding crown: the hour hand can be adjusted forwards or backwards independently of the minute and seconds hands. This allows travellers to adapt to their new time zone without affecting the precision of their timekeeping.

18 KT YELLOW GOLD

Commitment to excellence

By operating its own exclusive foundry, Rolex has the unrivalled ability to cast the highest quality 18 kt gold alloys. According to the proportion of silver, copper, platinum or palladium added, different types of 18 kt gold are obtained: yellow, pink or white.

They are made with only the purest metals and meticulously inspected in an in-house laboratory with state-of-the-art equipment, before the gold is

formed and shaped with the same painstaking attention to quality. Rolex's commitment to excellence begins at the source.

THE JUBILEE BRACELET

Supple and comfortable

This version of the GMT-Master II is fitted with a Jubilee bracelet. Supple and comfortable, the five-piece link Jubilee bracelet was specially created for the launch of the Oyster Perpetual Datejust model in 1945.

The Jubilee bracelet on this model is equipped with a Rolex-designed, patented Oysterlock folding safety clasp, which prevents accidental opening. It also features the Easylink comfort extension link, developed by the brand, which allows the bracelet length to be increased by

approximately 5 mm. A concealed attachment system ensures seamless visual continuity between the bracelet and case.

GMT-Master II

Reference 126718GRNR

Model Case

Type

Oyster, 40 mm, yellow gold

Diameter

40 mm

Material

Yellow gold

Bezel

Bidirectional rotatable 24-hour graduated bezel. Two-colour grey and black Cerachrom insert in ceramic, moulded numerals and graduations

Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

Winding Crown

Screw-down, Triplock triple waterproofness system

Crystal

Scratch-resistant sapphire

Water Resistance

Waterproof to 100 metres / 330 feet

Movement

Type

Perpetual, mechanical, self-winding, GMT function

Calibre

3285, Manufacture Rolex

Precision

-2/+2 sec/day, after casing

Oscillator

Paramagnetic blue Parachrom hairspring. High-performance Paraflex shock absorbers

Winding

Bidirectional self-winding via
Perpetual rotor

Power reserve

Approximately 70 hours

Functions

Centre hour, minute and seconds
hands. 24-hour display. Second
time zone with independent rapid-
setting of the hour hand.

Instantaneous date. Stop-seconds
for precise time setting

Bracelet

Type

Jubilee, five-piece links

Clasp

Folding Oysterlock safety clasp with
Easylink 5 mm comfort extension
link

Bracelet Material

18 kt yellow gold

Dial

Type

Tiger iron

Details

Highly legible Chromalight display
with long-lasting blue luminescence

Certification

Type

Superlative Chronometer (COSC +
Rolex certification after casing)
