Lady-Datejust

Oyster, 28 mm, Oystersteel and Everose gold

This Oyster Perpetual Lady-Datejust in Oystersteel and Everose gold features a chocolate, diamond-set dial and an Oyster bracelet.

CHOCOLATE DIAL

A watchmaking technique

This dial features diamonds in 18 kt gold settings and a Roman IX in 18 kt gold, set with 8 diamonds. The sunray finish creates delicate light reflections on many dials in the Oyster Perpetual collection. It is obtained using masterful brushing techniques that create grooves running outwards from the centre of the dial.

Light is diffused consistently along each engraving, creating a characteristic subtle glow

that moves depending on the position of the wrist. Once the sunray finish has been completed, the dial colour is applied using Physical Vapour Deposition or electroplating. A light coat of varnish gives the dial its final look.

A Rolex signature

The Rolex fluted bezel is a mark of distinction. Originally, the fluting of the Oyster bezel had a functional purpose: it served to screw the bezel onto the case helping to ensure the waterproofness of the watch.

It was therefore identical to the fluting on the case back, which was also screwed onto the case for waterproofness, using specific Rolex tools. Over time, the fluting became an aesthetic element, a genuine Rolex signature feature. Today the fluted

bezel is a mark of distinction, in gold on this Lady-Datejust.

A meeting of two metals

Gold is coveted for its lustre and nobility. Steel reinforces strength and reliability. Together, they harmoniously combine the best of their properties.

A true Rolex signature, Rolesor has featured on Rolex models since the early 1930s, and was trademarked as a name in 1933. It is one of the prominent pillars of the Oyster collection.

Alchemy of form and function

The Oyster bracelet is a perfect alchemy of form and function, aesthetics and technology, designed to be both robust and comfortable.

It is equipped with an Oysterclasp and the Easylink comfort extension link, also exclusive to Rolex. This ingenious system allows the wearer to increase the bracelet length by approximately 5 mm, providing additional comfort in any circumstance.

Lady-Datejust

Reference 279171

Model Case

Type
Oyster, 28 mm, Oystersteel and Everose gold

Diameter
28 mm

Material
Everose Rolesor

Bezel
Fluted

Oyster Architecture
Monobloc middle case, screw-down case back and winding crown

Winding Crown
Screw-down, Twinlock double waterproofness system

Crystal
Scratch-resistant sapphire, Cyclops lens over the date

Water Resistance
Waterproof to 100 metres / 330 feet

Movement

Type
Perpetual, mechanical, self-winding

Calibre
2236, Manufacture Rolex

Precision
-2/+2 sec/day, after casing

Oscillator
Syloxi hairspring in silicon with patented geometry. High-performance Paraflex shock absorbers

Winding
Bidirectional self-winding via Perpetual rotor

Power reserve
Approximately 55 hours

Functions
Centre hour, minute and seconds hands. Instantaneous date with rapid setting. Stop-seconds for precise time setting

Bracelet

Type
Oyster, three-piece solid links

Bracelet Material
Everose Rolesor - combination of Oystersteel and Everose gold

Clasp
Folding Oysterclasp with Easylink 5 mm comfort extension link

Dial

Type
Chocolate set with diamonds

Certification

Type
Superlative Chronometer (COSC + Rolex certification after casing)
