

Yacht-Master 37

Oyster, 37 mm, Everose gold

**The Oyster Perpetual
Yacht-Master 37 in 18 kt
Everose gold with an
Oysterflex bracelet.**

THE OYSTERFLEX BRACELET

Highly resistant and durable

The Yacht-Master's new Oysterflex bracelet, developed by Rolex and patented, offers a sporty alternative to metal bracelets. The bracelet attaches to the watch case and the Oysterlock safety clasp by a flexible titanium and nickel alloy metal blade.

The blade is overmoulded with high-performance black elastomer which is particularly resistant to environmental effects, very durable and perfectly

inert for the wearer of the watch. For enhanced comfort, the inside of the Oysterflex bracelet is equipped with a patented longitudinal cushion system that stabilizes the watch on the wrist and fitted with an 18 kt Everose gold Oysterlock safety clasp. It also features the Rolex Glidelock extension system, designed by the brand and patented. This inventive toothed mechanism, integrated beneath the clasp, allows fine adjustment of the bracelet length by some 15 mm in increments of approximately 2.5 mm, without the use of tools.

18 KT EVEROSE GOLD

An exclusive patent

To preserve the beauty of its pink gold watches, Rolex created and patented an exclusive 18 kt pink gold alloy cast in its own foundry: Everose gold.

Introduced in 2005, 18 kt Everose is used on all Rolex Oyster models in pink gold.

BIDIRECTIONAL ROTATABLE BEZEL

Timing the distance

The Yacht-Master's bidirectional rotatable 60-minute graduated bezel is made entirely from precious metals or fitted with a Cerachrom insert in high-tech ceramic. The raised polished numerals and graduations stand out clearly against a matt, sand-blasted background.

This functional bezel – which allows the wearer to calculate, for example, the sailing time between two buoys – is also a key component in the model's distinctive visual identity.

INTENSE BLACK DIAL

Exceptional legibility

Like all Rolex Professional watches, the Yacht-Master 37 offers exceptional legibility in all circumstances, and especially in the dark, thanks to its Chromalight display.

The broad hands and hour markers in simple shapes – triangles, circles, rectangles – are filled with a luminescent material emitting a long-lasting glow.

More technical details

Yacht-Master

Reference 268655

Model Case

Type

Oyster, 37 mm, Everose gold

Diameter

37 mm

Material

Everose gold

Bezel

Bidirectional rotatable 60-minute graduated bezel with matt black Cerachrom insert in ceramic, polished raised numerals and graduations

Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

Winding Crown

Screw-down, Triplock triple waterproofness system

Crystal

Scratch-resistant sapphire, Cyclops lens over the date

Water Resistance

Waterproof to 100 metres / 330 feet

Movement

Type

Perpetual, mechanical, self-winding

Calibre

2236, Manufacture Rolex

Precision

-2/+2 sec/day, after casing

Oscillator

Syloxi hairspring in silicon with patented geometry. High-performance Paraflex shock absorbers

Winding

Bidirectional self-winding via
Perpetual rotor

Power reserve

Approximately 55 hours

Functions

Centre hour, minute and seconds
hands. Instantaneous date with
rapid setting. Stop-seconds for
precise time setting

Bracelet

Type

Oysterflex

Clasp

Folding Oysterlock safety clasp with
Rolex Glidelock extension system

Bracelet Material

Flexible metal blades overmoulded
with high-performance elastomer

Dial

Type

Intense black

Certification

Type

Superlative Chronometer (COSC +
Rolex certification after casing)
