Cosmograph Daytona

Oyster, 40 mm, yellow gold

The Oyster Perpetual Cosmograph Daytona in 18 ct yellow gold with a white dial and contrasting counter rings. It features an Oyster bracelet and an 18 ct yellow gold bezel with an engraved tachymetric scale.
High-performance chronograph

With its tachymetric scale, its three counters and its pushers, the Cosmograph Daytona was designed to be the ultimate timing tool for endurance racing drivers. The bezel features a tachymetric scale to read average speed over a given distance based on elapsed time.

This scale offers optimal legibility, making the Cosmograph Daytona the ideal instrument for

measuring speeds up to 400 units per hour,
expressed in kilometres or miles.

measuring speeds up to 400 units per hour,
expressed in kilometres or miles.

With chronograph counters

This model features a white dial with 18 ct gold applique hour markers and hands with a Chromalight display, a highly-legible luminescent material.

The dial allows drivers to accurately map out their track times and tactics without fail.

Commitment to excellence

By operating its own exclusive foundry, Rolex has the unrivalled ability to cast the highest quality 18 ct gold alloys. According to the proportion of silver, copper, platinum or palladium added, different types of 18 ct gold are obtained: yellow, pink or white.

They are made with only the purest metals and meticulously inspected in an in-house laboratory with state-of-the-art equipment, before the gold is

formed and shaped with the same painstaking attention to quality. Rolex's commitment to excellence begins at the source.

Alchemy of form and function

The design, development and production of Rolex bracelets and clasps, as well as the stringent tests they face, involve advanced high technology. And, as with all the components of the watch, aesthetic controls by the human eye guarantee impeccable beauty.

The Oyster bracelet is a perfect alchemy of form and function. First introduced in the late 1930s, this particularly robust and comfortable metal

bracelet with its broad, flat three-piece links remains the most universal bracelet in the Oyster collection.

Model Case

Type
Oyster, 40 mm, yellow gold

Diameter
40 mm

Material
Yellow gold

Bezel
Fixed, with engraved tachymetric scale, in 18 ct yellow gold

Oyster Architecture
Monobloc middle case, screw-down case back and winding crown

Winding Crown
Screw-down, Triplock triple waterproofness system

Crystal
Scratch-resistant sapphire

Water Resistance
Waterproof to 100 metres / 330 feet

Movement

Type
Perpetual, mechanical chronograph, self-winding

Calibre
4131, manufacture Rolex

Precision
-2/+2 sec/day, after casing

Oscillator
Paramagnetic blue Parachrom hairspring. High-performance Paraflex shock absorbers

Winding
Bidirectional self-winding via
Perpetual rotor

Power reserve
Approximately 72 hours

Functions
Centre hour and minute hands,
small seconds hand at 6 o'clock.
Chronograph via centre seconds
hand, 30-minute counter at 3
o'clock and 12-hour counter at 9
o'clock. Stop seconds for exact
time setting

Bracelet

Type
Oyster, three-piece solid links

Bracelet Material
18 ct yellow gold

Clasp
Folding Oysterlock safety clasp with
Easylink 5 mm comfort extension
link

Dial

Type
White, golden counter rings

Details
Highly legible Chromalight display
with long-lasting blue luminescence

Certification

Type
Superlative Chronometer (COSC +
Rolex certification after casing)
