

Cosmograph Daytona

Oyster, 40 mm, white gold and
diamonds

**This Oyster Perpetual
Cosmograph Daytona in
18 ct white gold, with a
black and white mother-
of-pearl, diamond-set
dial and an Oyster
bracelet, features a
diamond-set bezel.**

MOTHER-OF-PEARL DIAL

A unique effect

The contrasting dial is made from natural mother-of-pearl and graced with eight diamonds and three Chromalight hour markers. The strength of the contrast, the intensity of the colours and the depth of the reflections are the result of a particularly stringent material selection process. Both varieties of mother-of-pearl are handled with the greatest care by the brand's artisans.

The dial allows drivers to accurately map out their track times and tactics without fail.

DIAMOND-SET BEZEL

Adorning a legendary chronograph

The timepiece incorporates a bezel adorned with 36 brilliant-cut diamonds.

This now legendary chronograph is the instrument of choice for measuring time intervals and determining average speeds. On this gem-set version, the emblematic tachymetric scale is replaced with diamonds.

18 CT WHITE GOLD

Commitment to excellence

By operating its own exclusive foundry, Rolex has the unrivalled ability to cast the highest quality 18 ct gold alloys. According to the proportion of silver, copper, platinum or palladium added, different types of 18 ct gold are obtained: yellow, pink or white.

They are made with only the purest metals and meticulously inspected in an in-house laboratory with state-of-the-art equipment, before the gold is

formed and shaped with the same painstaking attention to quality. Rolex's commitment to excellence begins at the source.

THE OYSTER BRACELET

Alchemy of form and function

The design, development and production of Rolex bracelets and clasps, as well as the stringent tests they face, involve advanced high technology. And, as with all the components of the watch, aesthetic controls by the human eye guarantee impeccable beauty.

The Oyster bracelet is a perfect alchemy of form and function. First introduced in the late 1930s, this particularly robust and comfortable metal

bracelet with its broad, flat three-piece links remains the most universal bracelet in the Oyster collection.

Model Case

Type

Oyster, 40 mm, white gold and diamonds

Diameter

40 mm

Material

White gold

Bezel

Set with diamonds

Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

Winding Crown

Screw-down, Triplock triple waterproofness system

Crystal

Scratch-resistant sapphire

Water Resistance

Waterproof to 100 metres / 330 feet

Movement

Type

Perpetual, mechanical chronograph, self-winding

Calibre

4131, manufacture Rolex

Precision

-2/+2 sec/day, after casing

Oscillator

Paramagnetic blue Parachrom hairspring. High-performance Paraflex shock absorbers

Winding

Bidirectional self-winding via Perpetual rotor

Power reserve

Approximately 72 hours

Functions

Centre hour and minute hands, small seconds hand at 6 o'clock. Chronograph via centre seconds hand, 30-minute counter at 3 o'clock and 12-hour counter at 9 o'clock. Stop seconds for exact time setting

Bracelet

Type

Oyster, three-piece solid links

Clasp

Folding Oysterlock safety clasp with Easylink 5 mm comfort extension link

Bracelet Material

18 ct white gold

Dial

Type

Black and white mother-of-pearl set with diamonds

Details

Highly legible Chromalight display with long-lasting blue luminescence

Gem setting

Diamonds in 18 ct gold settings

Certification

Type

Superlative Chronometer (COSC + Rolex certification after casing)
