

# GMT-Master II

Oyster, 40 mm, yellow gold

A close-up, diagonal view of a dark metal bracelet, likely part of a watch. The bracelet features raised, embossed lettering. The letters 'O', 'Y', 'S', 'T', 'E', 'R' are visible on the left side, and 'L' is visible on the right side. The background is a solid, dark brown color.

**The Oyster Perpetual  
GMT-Master II in 18 ct  
yellow gold with a tiger  
iron dial and a Jubilee  
bracelet.**

TIGER IRON

## Complex structure

This GMT-Master II features a dial in tiger iron. This metamorphic rock, used by Rolex for the first time on this watch, is characterized by its complex structure

Composed of three minerals – tiger's eye, red jasper and silvery hematite – it is a stone that pulses with golden and orangey tints, which, following painstaking selection and meticulous assembly, marry harmoniously with the colours of the case and bracelet.

24-HOUR ROTATABLE BEZEL

## Innovative high- technology

This model features a tiger iron dial and a two-colour Cerachrom bezel insert in grey and black ceramic. In addition to conventional hour, minute and seconds hands, the GMT-Master II features an arrow-tipped hand, which circles the dial once every 24 hours, as well as a bidirectional rotatable 24-hour graduated bezel.

The distinctively coloured 24-hour hand displays the “home” reference time in a first time zone

which can be read on the graduations on the bezel. The traveller's local time is easily set by "jumping" from hour to hour, thanks to an ingenious mechanism operated via the winding crown: the hour hand can be adjusted forwards or backwards independently of the minute and seconds hands. This allows travellers to adapt to their new time zone without affecting the precision of their timekeeping.

18 CT YELLOW GOLD

## **Commitment to excellence**

By operating its own exclusive foundry, Rolex has the unrivalled ability to cast the highest quality 18 ct gold alloys. According to the proportion of silver, copper, platinum or palladium added, different types of 18 ct gold are obtained: yellow, pink or white.

They are made with only the purest metals and meticulously inspected in an in-house laboratory with state-of-the-art equipment, before the gold is

formed and shaped with the same painstaking attention to quality. Rolex's commitment to excellence begins at the source.

## THE JUBILEE BRACELET

# Supple and comfortable

This version of the GMT-Master II is fitted with a Jubilee bracelet. Supple and comfortable, the five-piece link Jubilee bracelet was specially created for the launch of the Oyster Perpetual Datejust model in 1945.

The Jubilee bracelet on this model is equipped with a Rolex-designed, patented Oysterlock folding safety clasp, which prevents accidental opening. It also features the Easylink comfort extension link, developed by the brand, which allows the bracelet length to be increased by

approximately 5 mm. A concealed attachment system ensures seamless visual continuity between the bracelet and case.

## technical details

Reference 126718GRNR

### Model Case

---

#### Type

Oyster, 40 mm, yellow gold

#### Diameter

40 mm

#### Material

Yellow gold

#### Bezel

Bidirectional rotatable 24-hour graduated bezel. Two-colour grey and black Cerachrom insert in ceramic, moulded numerals and graduations

#### Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

#### Winding Crown

Screw-down, Triplock triple waterproofness system

#### Crystal

Scratch-resistant sapphire

#### Water Resistance

Waterproof to 100 metres / 330 feet

### Movement

---

#### Type

Perpetual, mechanical, self-winding, GMT function

#### Calibre

3285, Manufacture Rolex

#### Precision

-2/+2 sec/day, after casing

#### Oscillator

Paramagnetic blue Parachrom hairspring. High-performance Paraflex shock absorbers

### **Winding**

Bidirectional self-winding via Perpetual rotor

### **Power reserve**

Approximately 70 hours

### **Functions**

Centre hour, minute and seconds hands. 24-hour display. Second time zone with independent rapid-setting of the hour hand.

Instantaneous date. Stop-seconds for precise time setting

## **Bracelet**

---

### **Type**

Jubilee, five-piece links

### **Bracelet Material**

18 ct yellow gold

### **Clasp**

Folding Oysterlock safety clasp with Easylink 5 mm comfort extension link

## **Dial**

---

### **Type**

Tiger iron

### **Details**

Highly legible Chromalight display with long-lasting blue luminescence

## **Certification**

---

### **Type**

Superlative Chronometer (official chronometer certification + Rolex certification after casing)
