

# Lady-Datejust

Oyster, 28 mm, Oystersteel, yellow gold and diamonds

**This Oyster Perpetual  
Lady-Datejust in  
Oystersteel and yellow  
gold features a silver,  
diamond-set dial and a  
Jubilee bracelet.**

SILVER DIAL

## A watchmaking technique

This dial features diamonds in 18 ct gold settings and a Roman IX in 18 ct gold, set with 8 diamonds. The sunray finish creates delicate light reflections on many dials in the Oyster Perpetual collection. It is obtained using masterful brushing techniques that create grooves running outwards from the centre of the dial.

Light is diffused consistently along each engraving, creating a characteristic subtle glow

## DIAMOND-SET BEZEL

# A sparkling symphony

Gem-setters, like sculptors, finely carve the precious metal to hand-shape the seat in which each gemstone will be perfectly lodged. With the art and craft of a jeweller, the stone is placed and meticulously aligned with the others, then firmly secured in its gold or platinum setting.

Besides the intrinsic quality of the stones, several other criteria contribute to the beauty of Rolex gem-setting: the precise alignment of the height of the gems, their orientation and position, the regularity, strength and proportions of the setting

YELLOW ROLESOR

## A meeting of two metals

Gold is coveted for its lustre and nobility. Steel reinforces strength and reliability. Together, they harmoniously combine the best of their properties.

A true Rolex signature, Rolesor has featured on Rolex models since the early 1930s, and was trademarked as a name in 1933. It is one of the prominent pillars of the Oyster Perpetual collection.

## THE JUBILEE BRACELET

# Supple and comfortable

The design, development and production of Rolex bracelets and clasps, as well as the stringent tests they face, involve advanced high technology.

And, as with all the components of the watch, aesthetic controls by the human eye guarantee impeccable beauty. The Jubilee, a supple and comfortable five-piece link metal bracelet, was designed and made especially for the launch of the Oyster Perpetual Datejust in 1945.

## technical details

Reference 279383RBR

### Model Case

---

#### Type

Oyster, 28 mm, Oystersteel, yellow gold and diamonds

#### Diameter

28 mm

#### Material

Yellow Rolesor

#### Bezel

Set with diamonds

#### Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

#### Winding Crown

Screw-down, Twinlock double waterproofness system

#### Crystal

Scratch-resistant sapphire, Cyclops lens over the date

#### Water Resistance

Waterproof to 100 metres / 330 feet

### Movement

---

#### Type

Perpetual, mechanical, self-winding

#### Calibre

2236, Manufacture Rolex

#### Precision

-2/+2 sec/day, after casing

#### Oscillator

Syloxi hairspring in silicon with patented geometry. High-performance Paraflex shock absorbers

**Winding**

Bidirectional self-winding via  
Perpetual rotor

**Power reserve**

Approximately 55 hours

**Functions**

Centre hour, minute and seconds  
hands. Instantaneous date with  
rapid setting. Stop-seconds for  
precise time setting

**Bracelet**

---

**Type**

Jubilee, five-piece links

**Clasp**

Concealed folding Crownclasp

**Bracelet Material**

Yellow Rolesor - combination of  
Oystersteel and yellow gold

**Dial**

---

**Type**

Silver set with diamonds

**Gem setting**

Diamonds in 18 ct gold settings,  
Roman IX in 18 ct gold set with 8  
diamonds

**Certification**

---

**Type**

Superlative Chronometer (COSC +  
Rolex certification after casing)
