

Yacht-Master 37

Oyster, 37 mm, Oystersteel and Everose gold

A close-up, angled view of a watch bracelet. The bracelet is made of metal links, some of which are circular and feature a fine horizontal texture. A large, raised 'OY' logo is visible on the upper part of the bracelet. Below the logo, there is a rectangular date window with a dark background and a light-colored dial. The overall color palette is monochromatic, consisting of various shades of brown and tan.

bracelet.**

BIDIRECTIONAL ROTATABLE BEZEL

Timing the distance

The Yacht-Master's bidirectional rotatable 60-minute graduated bezel is made entirely from precious metal – Everose gold or platinum – or fitted with a Cerachrom insert in high-tech ceramic, depending on the model. The raised polished numerals and graduations stand out clearly against a matt, sand-blasted background.

This functional bezel – which allows the wearer to calculate, for example, the sailing time between two buoys – is also a key component in the model's distinctive visual identity.

INTENSE BLACK DIAL

Exceptional legibility

Like all Rolex Professional watches, the Yacht-Master 37 offers exceptional legibility in all circumstances, and especially in the dark, thanks to its Chromalight display.

The broad hands and hour markers in simple shapes – triangles, circles, rectangles – are filled with a luminescent material emitting a long-lasting glow.

EVEROSE ROLESOR

A meeting of two metals

Gold is coveted for its lustre and nobility. Steel reinforces strength and reliability. Together, they harmoniously combine the best of their properties.

A true Rolex signature, Rolesor has featured on Rolex models since the early 1930s, and was trademarked as a name in 1933. It is one of the prominent pillars of the Oyster Perpetual collection.

THE OYSTER BRACELET

Alchemy of form and function

The Oyster bracelet is a perfect alchemy of form and function, aesthetics and technology, designed to be both robust and comfortable. It is equipped with an Oysterlock folding clasp, which prevents accidental opening and the Easylink comfort extension link, also exclusive to Rolex.

This ingenious system allows the wearer to increase the bracelet length by approximately 5

mm, providing additional comfort in any circumstance.

Reference 268621

Model Case

Type

Oyster, 37 mm, Oystersteel and Everose gold

Diameter

37 mm

Material

Everose Rolesor

Bezel

Everose gold bidirectional rotatable 60-minute graduated with raised numerals

Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

Winding Crown

Screw-down, Triplock triple waterproofness system

Crystal

Scratch-resistant sapphire, Cyclops lens over the date

Water Resistance

Waterproof to 100 metres / 330 feet

Movement

Type

Perpetual, mechanical, self-winding

Calibre

2236, Manufacture Rolex

Precision

-2/+2 sec/day, after casing

Oscillator

Syloxi hairspring in silicon with patented geometry. High-performance Paraflex shock absorbers

Winding

Bidirectional self-winding via Perpetual rotor

Power reserve

Approximately 55 hours

Functions

Centre hour, minute and seconds hands. Instantaneous date with rapid setting. Stop-seconds for precise time setting

Bracelet

Type

Oyster, three-piece solid links

Bracelet Material

Everose Rolesor - combination of Oystersteel and Everose gold

Clasp

Folding Oysterlock safety clasp with Easylink 5 mm comfort extension link

Dial

Type

Intense black

Certification

Type

Superlative Chronometer (official chronometer certification + Rolex certification after casing)
