

# Submariner Date

Oyster, 41 mm, yellow gold

**The Oyster Perpetual  
Submariner Date in 18 kt  
yellow gold with a  
Cerachrom bezel insert  
in blue ceramic and a  
royal blue dial with large  
luminescent hour  
markers.**

UNIDIRECTIONAL ROTATABLE BEZEL

## An underwater tool

The Submariner's rotatable bezel is a key functionality of the watch. Its 60-minute graduations allow a diver to accurately and safely monitor diving time and decompression stops.

Manufactured by Rolex from a hard, corrosion-resistant ceramic, the Cerachrom bezel insert is virtually scratchproof. A luminescent capsule on the zero marker ensures legibility, no matter how dark the environment. The bezel's knurled edge is carefully designed to offer excellent grip under water, even with gloves.

ROYAL BLUE DIAL

## For legibility underwater

The dial's luminescent Chromalight display is an innovation that improved visibility in dark environments, an essential feature for divers.

Hour markers in simple shapes – triangles, circles, rectangles – and broad hour and minute hands enable instant and reliable reading to prevent any risk of confusion underwater.

18 KT YELLOW GOLD

## Commitment to excellence

By operating its own exclusive foundry, Rolex has the unrivalled ability to cast the highest quality 18 kt gold alloys. According to the proportion of silver, copper, platinum or palladium added, different types of 18 kt gold are obtained: yellow, pink or white.

They are made with only the purest metals and meticulously inspected in an in-house laboratory with state-of-the-art equipment, before the gold is

formed and shaped with the same painstaking attention to quality. Rolex's commitment to excellence begins at the source.

THE OYSTER BRACELET

## Alchemy of form and function

The Oyster bracelet is a perfect alchemy of form and function, aesthetics and technology, designed to be both robust and comfortable.

It is equipped with an Oysterlock clasp, which prevents accidental opening, and an ingenious Glidelock, allowing fine adjustments of the bracelet without using any tools — and allowing it to be worn comfortably over a diving suit.

### model-case

---

#### type

Oyster, 41 mm, yellow gold

#### diameter

41 mm

#### material

Yellow gold

#### bezel

Unidirectional rotatable 60-minute graduated, scratch-resistant Cerachrom insert in blue ceramic, numerals and graduations coated in gold

#### oyster-architecture

Monobloc middle case, screw-down case back and winding crown

#### winding-crown

Screw-down, Triplock triple waterproofness system

#### crystal

Scratch-resistant sapphire, Cyclops lens over the date

#### water-resistance

Waterproof to 300 metres / 1,000 feet

### movement

---

#### type

Perpetual, mechanical, self-winding

#### calibre

3235, Manufacture Rolex

#### precision

-2/+2 sec/day, after casing

#### oscillator

Paramagnetic blue Parachrom hairspring. High-performance Paraflex shock absorbers

#### winding

Bidirectional self-winding via Perpetual rotor

**power-reserve**

Approximately 70 hours

**functions**

Centre hour, minute and seconds hands. Instantaneous date with rapid setting. Stop-seconds for precise time setting

## bracelet

---

**type**

Oyster, three-piece solid links

**clasp**

Folding Oysterlock safety clasp with Rolex Glidelock extension system

**bracelet-material**

18 kt yellow gold

## dial

---

**type**

Royal blue

**details**

Highly legible Chromalight display with long-lasting blue luminescence

## certification

---

**type**

Superlative Chronometer (COSC + Rolex certification after casing)
